
A TIME LIKE THIS

Words & Music by Luke Woodhouse

Draft lyrics 21 April, 2018

In such a time as this
With darkness all around
In such a time as this
Our hearts cry out
'Lord, help us now'
'Lord be our power'
In such a time as this
We won't walk alone

In such a time as this
When heavy storms arise
In such a time as this
You'll be our guide
We will hold on
For you are strong
In such a time as this
You have walked before

CHORUS

*You're the Lord who calls our name
You're the hope beyond the grave
You're the love our life proclaims
So lead us now we pray*

In such a time as this
When kindness seems to fade
In such a time as this
You call us now
You lead us out
To those without
In such a time as this
Hope is in our hands

CHORUS x2
