Cutting the celebration cake: with NCF SL Executive members (above) and teachers and nurses (below). The event was held on 27th January in Free Town, Sierra Leone.

The Singapore nurses singing group shown above were part of an interesting and varied program. They sang a song composed by SNCF member Alice Ong, To Care and to Love.

More than 70 nurses and friends gathered on Zoom for the 60th Anniversary celebration of NCF Singapore. Some are depicted here. Guests came not only from Singapore but from other countries in the region and other parts of the world. You can watch this event at <https://www.youtube.com/watch?v=6a3rCTMHaZo&feature=youtu.be>

Medal of honour awarded to Christian nurses in Spain

The Evangelical Council of Madrid celebrated Reform Day on the 31st of October 2020 with an act which brought together different pastors and members of the evangelical churches of Madrid.

Within the framework of this event, the medal of honour was awarded from this entity to the Christian Nursing group of Spain for their contribution and work at the service of the churches of this community. This award was granted to them together with the Union of Evangelical Doctors, in recognition of the dedication and nursing effort in the special situation that was produced by the SARS-COV 2 pandemic and by the trajectory of so many years of our group in combining profession and faith and serving the people of God. The medal of honour was collected by Roni Deelen on behalf of the group. She herself received recognition for her many years of service and dedication to the Christian Nursing group (Enfermería Cristiana) and the evangelical people of Spain. *Enfermeria Christiana is a member of NCFI.*

A Christ Centered Response***

While the much anticipated Congress planned for 2020 was postponed owing to the Coronavirus pandemic, plans for a virtual Congress to be held 9 -11 July this year are going ahead. The theme remains the same, and some of the original speakers will participate. The program will contain Keynote speakers, Bible expositions, a variety of concurrent sessions, and many of the usual features.

Although presented on a virtual platform, there will be opportunities for interaction and features that will provide attendees with a dynamic Congress experience.

My name is Angela Davidson. I am a nursing student at Azusa Pacific University enrolled in the Entry-Level Master's program. I wanted to go into nursing because I have always had a passion to serve in the healthcare field. My long term goal is to be a career medical missionary, serving God wherever he may call me. I am excited to be working and connecting with nursing students and new nurses.
