NCFI Cares: Blessing Nations by Hyesook Lee, Korea, NCFI Prayer & Care Committee

God be merciful unto us, and bless us; cause his face to shine upon us; That thy way may be known upon earth, thy saving health among all nations. Let the people praise thee, O God; let all the people praise thee. O let the nations be glad and sing for joy: for thou shalt judge the people righteously, and govern the nations upon earth. Let the people praise thee, O God; let all the people praise thee. The shall the earth yield her increase; God, our own God, shall bless us. God shall bless us; and all the ends of the earth shall fear him. Psalm 67

In Psalm 67, verse 1 says, "God is a God who does us a favor. God is a God who blesses us. God is a God who shines on us the light of God's merciful face.

This means that God understands our circumstances. God is a God who takes care of our difficulties and needs and fills our needs. The purpose of taking care of us and giving us blessings is to let them flow out to others.

Throughout Psalm 67 we see God as follows:

The scope of God's blessing is not limited to your people.

The author of Psalms 67 mentions it five times (Verse 2, 3, 4, 5, 7).

The author of Psalms 67 emphasizes that God should be known not only to me but also to all nations and peoples. God loves the people of Israel. At the same time, God loves all nations.

God's heart and dream must be my dream and vision. God's heart and dream must be NCFI's dream and vision. Even though, Psalm 67 is only seven verses the word 'bless' is repeated three times. A word that appears frequently in the Bible means emphasis on the word.

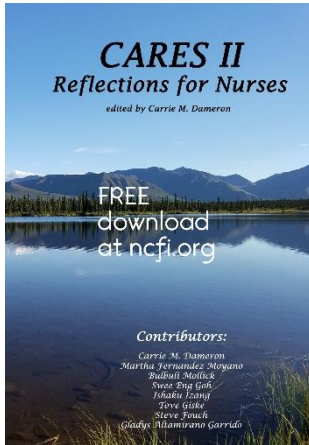

Verse 1 God said, "Bless us with grace and shine his face upon us."

Verse 6... Our God will bless us.

The seventh verse, "God bless us." Every end of the earth will fear God.

God blessed us because He wants all nations to be blessed by God like he has blessed us. What is this blessing? I'm not the only one who enjoys it. The good news of the gospel will be known to all nations. I am sending my blessings to the people of all nations until they are saved.

NCFI has done a good job on this mission and is still doing it. We are praying together today to better meet this mission.
